Hide ...
This is yamato
1st elementary
school

英華第一小學校

It is
planted in a
desk inside the
room of
the second
grade's
second
classroom
located on

The second
floor,
and it is
going to
explode
soon!

There is
a bomb
planted
in the
school!

Please
escape
now!

Wait
a minute,
what are you
talking about?

Is it?

Is this a
prank?

Please save
the children
quick.

!!!

Run for
your lives!

Serious, this clinic really sucks.

Two consecutive explosion attacks have left thirteen elementary school students dead!

Minagawa Mental Clinic

He did warn everyone to run away over the phone.

Let's interrogate him a little bit first.

Well...

What do you think, Sengou?

Hmm.

The suspect of the catastrophic explosion case is a doctor at the mental clinic?

This is...
Matsuyama.

He, I am
Marshall from
the police
department.

Doctor Yasuda.

We would like
to talk to you
about you going
your way
through the
phone about
the bombing
incident.

But, I'm
not the one
behind the
crime

I did make
the phone call

Who did you
hear it from?

That's
between...

Then how did
you know about
the explosion?

...

It doesn't
matter, try me

I don't think
you guys will
believe me even
if I told you?

What's the
hell?

It was a
patient's...
property

She didn't
have any money
on her either

She couldn't
remember her
name, age, or
address, and
she lost all
her memory

and her mental
state seems to
be pretty stable
as well

There is no
apparent
trauma to
her brain,

We've conducted
various experi-
ments on her but
her body is
perfectly healthy

We also have
reported her
missing to the
police so she
was brought
here for
investigation

She claims
she can see
spirits

Spirits??

The only problem is
that she acts in
a peculiar manner

You will soon
understand how
unbelievable her
claims are

Please speak
with her a
bit first

What do
you mean?
Spirits?

Do those kinds
of things
actually exist?

She said the
spirits of the
children who died
during the
explosion came to
her to tell her

the location
of the next bomb

So you believed
her and made a
phone call to
the elementary
school?

Correct

you can
see spirits?

Then, in
other words,

That's why you
asked the chief
doctor to make
the phone call

Correct

Correct

The spirits of the
children who died
from the explosion
were warning you
about of 'them' of
the next explosion!

.....

Please
calm
down
Sergeant!

How the hell
am I gonna
write that on
the report?!

Aren't they
the ones who
are injured?

How can
things like
spirits be
believe...

What should
I do?

Am I going
insane?

Who knows
how to deal
with this
problem...

ME

Alright,
 alright.

Michiko-san
ask the
principal
permission
for us to
enter

This way

This way

Σ
ay

That?

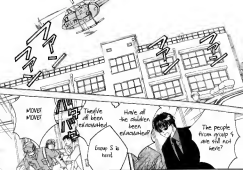

Sorry for the
disturbance

In that
classroom

It is exact
to the second.

Don't look down
on the police,
I didn't even
have to try to
figure out that
you were lying

Are you going
to arrest me?

Everyone was
enraptured.
No one was
injured...

You just
admitted it out
of convenience
in order to get
us to relocate,
right?

Please help me
get to the
bottom of this

I will believe
what you say

Yes,

and find the
person behind
this.

Instead of finding
out where the
explosion is, wouldn't
it be better to
just find the person
behind it directly?

What's the
most
explosion?

Look
this
way

Eric? You
know where
he is?

This is
naturally
convenient...

SHOCK

Good morning—!

Is it possible
to make a
word with you?

We're from the
police department

Stop
right
here!

BOM

HEY!

STOP!
HEY!

Why are
you hurting
the children?

Maybe I felt like it.
Why do you want
to die too? Get out
of my wing!

I don't
quite fit
down!

I will let
you see...

done

LOVERS

AR**ANA**

I heard that she
is a patient on
the mental clinic
located close to
the outskirts of
Tokyo District.

A girl who
can see
spirits!

Also, no one
reported her
missing. Her
identity is
still unknown.

Didn't even
remember
her name.

When she
was brought in
by the police
a month ago,
she had lost
all memory of
her past.

Even though
they solved
the case,
it was
meaningless
because
they couldn't
write a
report.

How the
hell can
that be?

She used
her spiritual
powers to
capture the
suspect?

Huh?

Hello...

Please, go
help her.

Someone has
been murdered
and is about
to be buried.

A woman
of about
30.

Who is
being
buried?

Not to
worry,
don't
ask any
more.

In the
mountains
toward my
mental
link.

Where is
the corpse
going to be
buried?

I know
it would be
this kind
of thing.

Makohagusa and I
have been assigned to
do office work now.

Sorry, but we
can't help you
with this.

unpo...

As you
can see,

Maki, I am
sorry but the
police can't
do anything
without
evidence.

Makohagusa,

call the
doctor at the
mental clinic
to come pick
up Maki.

—yes—

I understand.
I will give up.

STARE

What is
she
staring at?

That's
right.

Right.

you should
return to the
clinic and try your
best to remember
your identity.

We will go
back now.

I didn't
notice her
leaving the
clinic.

Ah, Doctor
Tomochika,
welcome. Sorry
we made you
come all the
way here.

I am
really sorry
about this.

He also says
that because
you're doing
as a car artist
so don't waste
any more money
on him.

The amount
you borrowed
was increased to
50,000 yen,
right?

The person
behind you is
really angry...

over
there

Look,
I am almost
to the
treasure.

hehe-
hehe

you will
have to
be buried,
too.

otherwise,
I will
feel very
lonely.

I will
kill you,
too!

It's
okay,
right?

You can
rejoice!

Damn!

I didn't realize that
before.

So there are
evil spirits...

Heh,
are you
okay?

What did
you just do?

Ah !

The person
betrayed you.

I've decided
to have last
sleep within
me

page has
turned to dust.

I anticipated
this ending
my body.

You are a
very strong
spirit, aren't

please
take care
of that
man.

I beg you.
Can you please
speak in an
understandable
language? I
hate you but
can't understand
a thing.

Marikahara,
the person
behind you is
really innocent.

Oh...

Serious, this
is the
corpse.

!!?

We will interrogate
you on the details
of this case once
we get back to
the police station.

You are under
arrest as a
suspect for the
attempted disposal
of this corpse.

You
succeeded!

Good morning,

See

What?
Are they messing
with the souls?
How suspicious.

It seems
they were taking
advantage of
the demonic
spirit girl
to help them
catch criminals.

Murakami,
Matsukiyoshi.

Is that why
they were
transferred out
of the Sat

I think this

Yes.

Hey,

over here.

Underground

Recently
there have been
illegal sales
of underground
adult videos
in Tokyo.
You two
go investigate.

Aaaa...
No...Stop!

So noisy!

Aaaa...
Aaaa...

No!

I can't take

It looks...
so real.

So noisy

She's just
over there.

Oh, it's
that woman.

Stop!

Hold her

She's very sad.

Please, help

You want

Well-then,
didn't knowing

put you
in danger
last time?

It's best
if that
doesn't
happen
again.

It's not
safe for
you.

Your power
might be
convenient
but

You,
Nakabonpai-san,
everyone has
somebody
standing
behind them.

But I don't.

I probably
don't have
a home...
or a family.

That's not a
certainty. Why
do you think
that?

The person
behind
Nakabonpai-san
says...

Oh, normal
people can't
see the people
standing
behind us.

L...

Let's head
with more.

You borrowed

you from

else.

It looks like a
normal small
office building.

In this
building?

Here?

Yep.

Without a
reason, it's
kind of hard.

Can't we go
in and ask
questions like
last time?

!!

Yeah,
you're
right.

We can't do
anything. So
we should
head back.

Yep...

What are
you guys
doing here?

It's nothing.

Are you?

Thank you very much.

I'm sorry.

when
did you

Dear them.
The woman
went into

Hospital?
She lives in
the hospital?

That
makes it
hard.

Find a way
to save her out—
And kill her.

The car
won't start!

Who's getting
arrested?

Desperate. So
you guys are
kidnappers.

Don't
come
any
closer!

I'll kill
her!

!!

See,
angels,
what do
we do
now?

That's it's the
end for you
but you still
don't accept it.

It

KOTARO HIRAKI

Welcome back

Masakuni-san,  
Nakahopashi-  
san.

How  
noisy.

We're in  
the middle  
of working on  
some files.  
So please  
go away.

We finally got  
to return to the  
Investigation  
Unit...

...and now  
we end up  
here.

Ah, how  
are you?

Yeah.

Nakahopashi,  
we need to  
work harder,  
solve a big  
case, and go  
back to being  
detectives.

Yes?

Excuse  
me!

This girl  
is lost.

Please  
take care  
of her.

It's like  
this.

Bye-Bye,  
Maki-  
chan!

I'll leave  
her with  
you.

Hand! What?  
You guys know  
me, right?  
That's great.

In that  
case...

Maki-chan  
Company  
man, you  
even  
showed up  
here.

Yeah,  
she brought  
you here.  
She really  
is kind.

That kind  
girl...

Harukami-san,  
that girl...

Huh?

Huh?

If we  
don't do  
something...

...tonight  
she'll be  
killed.

Following  
an innocent  
high school  
girl...

Where is  
she going?

Connect.

What you  
said is true,  
right?

Can't  
be helped.  
Maka said  
she'll get  
killed.

This  
involves  
personal  
rights  
issues...

She's  
completely  
my  
type.  
Taken.

She's  
a really  
good kid.

She's  
giving  
her  
a very  
detailed  
explanation.

Yes, the  
old lady is  
asking her  
for direc-  
tions.

Murakami-san.

There are  
both kinds.

The  
situation  
isn't good.

There are  
bad people  
inside.

Oh,  
Are they

Murakami-san,

Ms. Maki,

something  
like that?

"The

He  
said.

the netherworld  
is where the  
spirits dwell.

the entrances  
and exits to  
and from that  
world are  
called spiritual  
portals.

It's a  
serious  
portal.

He says  
it's a  
spiritual  
portal.

"It's a curse that gathers evil spirits which then attack the chosen victim."

"This one has been intentionally opened by a person with strong spirit powers."

"This is different from a naturally occurring spiritual portal."

"Someone is controlling them."

"People killed by the curse become part of the curse."

"Nakurami Kami-san has already been absorbed by the evil spirits."

but  
they're  
just pranks,  
right?

I've been  
receiving  
weird emails  
everyday,

Even with  
that information,  
I don't know  
who could be  
behind it.

Then,

I'll let  
you see  
clearly.
